THE GREEN SWITCH: [Natureness's](#) Greatest Trustable Truth Affirmation: Phone Numbers and References

Phone: Thanks for wanting to affirm that you know the greatest truth in your life that you can trust and it's not Nature, God, Love or Honesty because they omit that fact and continue our war with Nature

The individuals listed below have validated that they know their greatest trustable truth and are willing to help you do the same. Then, you can similarly help others and green switch our [war with Nature and its Earth Misery Climates](#).

Natureness References: Available online. The best short general reference to help strengthen our greatest trustable truth is

Cohen, M. J. (2020) *Interview with Mike Cohen* www.ecopsych.com/janetinterview.html
in conjunction with

Cohen, M. J. (1989) *A Valentine For Natureness And You*.

Cohen, M. J. (1989) *Orientation Program Information* <http://www.ecopsych.com/orient.html>

In [the core TJSSSR Natureness article](#), references in parenthesis like (Cohen, 2021) are active, online and complete so, in context, they strengthen, rather than destructively compartmentalize an exhibit's contribution. Simply apply a search for what you seek in the reference and you will find its updated version.

A *Journal of Physical and Social Science* peer-reviewed substantiation of [the core TJSSSR Natureness article](#) is at www.ecopsych.com/SCIENCEVALIDATION.pdf

The best books that you can review are

Cohen, M. J. (1997). *Reconnecting With Nature*, EcoPress. Available: Amazon.com [Synopsis](#)
